# Accelerating Entrepreneurs

## Apply now to be an EY accelerating entrepreneur!

EY's Accelerating Entrepreneurs Program aims to find some of the most innovative and dynamic entrepreneurial ventures and guide them on the next stages of their growth journey. The program will bring together a small, select group of high-potential startup founders and entrepreneurs from across the globe at one of EY's flagship events, the 2017 EY Strategic Growth Forum™ Mediterranean in Rome, Italy.

At the event, each entrepreneur will take part in a tailored program, with highly relevant speaker sessions and opportunities to receive guidance and advice on their growth strategy.

In addition, they will have full access to the main agenda and can take advantage of content-rich sessions from world-class speakers and the opportunity to connect, share ideas and do business with the best of the best.

### What is the Strategic Growth Forum Mediterranean?
